Job Posting

Dane County Farmers' Market Day-of Market Assistant

The Dane County Farmers' Market seeks applicants for the position of Day-of Market Assistant, due by Wednesday, April 21.

Due to the COVID-19 pandemic, the DCFM continues to host modified operations. On Saturdays, the DCFM hosts a more traditional farmers' market, with appropriate safety measures in place, from 7am to 12 pm at the parking lot of the Exhibition Hall at the Alliant Energy Center.

The Day-of Assistant will work weekly on Saturday mornings, from 6:15 am – 12:30 pm, to help facilitate a successful and safe Saturday Market at Alliant Energy Center. The Day-of Assistant will work with and report to the DCFM Co-Manager on site.

Duties include: setting up market signage, setting up the EBT booth, helping manage volunteers on site, directing traffic, enforcing public health guidelines in place, and answering customer questions.

Successful candidates will be prepared to work outside in all types of weather, highly adaptive, and can prioritize and make decisions on the fly.

Compensation

\$15/hr, paid twice a month on the Saturday following the close of each pay period

Start Date

Position will begin as soon as possible and will continue through mid-June with possible extension. Availability every Saturday is required.

How to Apply

Email a brief letter of interest and resume to info@dcfm.org. Application deadline is Wednesday, April 21, by 5 pm.
