

**Position Announcement & Description**  
**Dane County Farmers' Market – Sanitation Employee**

**Pay:** \$18/hr

**Schedule:** April 15 - November 11, Saturdays 8am-2pm

We usually have at least two sanitation employees so that they can trade off the dates that work best for them. Only one sanitation employee will be on site each Saturday along with a Manager-on-Site, the Food Access Coordinator, and DCFM Information Booth Volunteers.

**Location:** Downtown Madison, Capitol Square

**Responsibilities:** Replace full trash and recycling bins around the Square (there are 8 pairs total) and use the DCFM cart to bring the full bags to a City provided dumpster a block off of the Square. Break down recycling bins, put trash cans back in their cages at the end of the market, and collect trash can covers from around the Square at the end of the market.

**How to Apply:** Email [info@dcfm.org](mailto:info@dcfm.org) or (608) 455-1999 to indicate your interest to DCFM Management (Jamie Bugel – Market Manager and Rachel Figueroa – Asst. Manager). Please include the best phone number to contact you. We will follow up with a phone call to talk through the position.
